Claire Perry MP welcomes the Opening of new Rushall Footpath

Today, Claire Perry, MP for the Devizes Constituency, welcomed the official opening of a new footpath in Rushall which means that pupils of the local Primary School can walk to school more safely. The footpath was opened by Wiltshire Councillors on behalf of the Community Transport Group and the Pewsey Area Board.

Commenting, Claire said:

“Like many parents, I think walking to school is a good habit for children and families. But it can be difficult to walk safely along busy country roads. That is why I am delighted that this new footpath is now opened and can be used by school children and residents of Rushall alike. Congratulations to Councillors Jerry Kunkler and Robert Hall, the Rushall Parish Council and local residents for all the hard work that has gone into creating this very simple but essential solution.”
